Coursera, Online

Jul 2020 - Aug 2020

Here is the link for the certificate coursera.org/verify/SHNUQYDNQLAG

Building Web Applications In PHP

Coursera, Online

May 2020 - May 2020

Here is the link for the certificate coursera.org/verify/ZR7M2TPW2TU9

HTML, CSS And JavaScript

Coursera, Online

Apr 2020 - May 2020

Here is the link for the certificate coursera.org/verify/EXCKDJMWSDTH

PROJECTS

Profile webpage

Feb 2021 - Feb 2021

https://bindhumadhavavarma.github.io/profile/

I made a website where I presented all my details and achievements. I made it as part of my academic course name Web Technologies. here is the link for the page https://bindhumadhavavarma.github.io/profile/

Secure Chat

Jul 2020 - Jul 2020

http://securechat.epizy.com/

This is a chatting website. The messages sent through this website are encrypted using AES and DES algorithms. I wrote my own code in PHP to implement these algorithms as it was a part of my college course named Introduction to Cryptography.

Website for our Club

Jan 2021 - Present

I am a part of the software team of SEDS-VITAP club where we are working on a website for our club and we are also developing online platforms where we can organize coding competitions. The website is currently under development.
